- **IT Application Development**
- **DevOps & Agile Integration**
- **Data Analytics**

Artificial Intelligence (AI) and Machine Learning (ML)

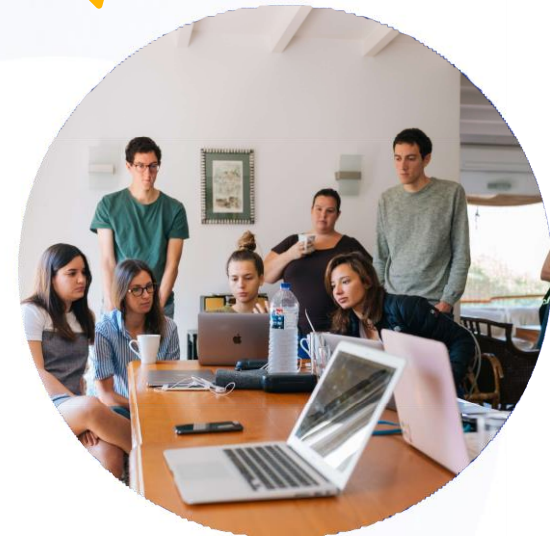

About Us

INSI Cloud Inc. was established in 2015 and has evolved into a prominent nationwide provider of comprehensive Information Technology solutions, specializing in Business Operations Services, Cyber Security, Information Technologies, and Artificial Intelligence (AI) and Machine Learning (ML) solutions for Federal, State, and Local Governments.

Our dedication to excellence is exemplified by our various certifications. In addition to being recognized as an SBA Certified 8(a) small business, we have achieved the prestigious International Organization for Standardization (ISO) certifications: ISO 9001:2015 for quality management systems and ISO 27001:2013 for information security management systems. These certifications validate our commitment to maintaining the highest standards of quality and security. Furthermore, we hold CMMI SVC/3 and CMMI DEV/3 certifications, which further validate our rigorous and efficient processes.

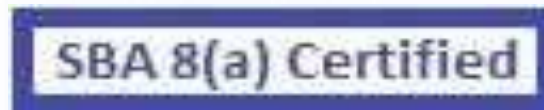

As a service provider, our primary focus is the success of our clients. We collaborate closely with them to gain a deep understanding of their unique needs, pain points, and budgetary constraints. This collaborative approach allows us to develop tailored strategies and solutions that align with their goals and deliver tangible results.
